

## STEFAN BRUNOTTE

JUNIOR FULL STACK DEVELOPER  
[www.stefanbrunotte.com](http://www.stefanbrunotte.com)

### PROFIL

*I see myself as a senior C# developer in 5 years. Within these five years I have developed a stable and solid knowledge base that will make me capable of jumping into complex code base and thriving, owning significant feature implementation end to end. As an employer you will get a hard-working asset that is focused on delivering the best possible work.*
